3 of 3 review helpful Speaking for voices not heard By Amy Blizzard The Estuary s Gift is a beautiful and poignant expression of the connections between people and the coastal environment Through eight delightfully written essays Griffith entertains and educates in a poetic lyrical style that draws the reader into a world that few of us know Griffith teaches the reader about North Carolina s rich history in commerc A coastal region s oldest inhabitants particularly families of watermen and commercial fishers often possess the deepest knowledge about a region and its ecological problems Because of this assaults on watermen lifeways and commercial fishing families mdash whether from organized recreational interests real estate developers or public policy makers mdash reduce the cultural and biological diversity of the coast and often upset the delicate environmental balance ldquo Griffith offers a wonderful timely book for those concerned about loss mdash not only the deterioration of the estuaries and ecological systems but loss of community way of life and livelihood and control of the political process rdquo mdash P
