0 of 0 review helpful Silence says it all By Donald F Ketcham I would like to give this 5 stars but it is not the excitement that I am use to reading Capstick This book is about a video they made of his safari to Namibia not sure that is what it is called now as they change names often or as Capstick calls it Bushman land It is the home of the Bushmen who may be the oldest people on earth There is lots of stuff abo From the successor to Ruark and

Hemingway comes the most lavishly illustrated historically important safari ever captured in print Peter Hathaway Capstick journeyed on safari through Namibia in the African spring of 1989 This was a nation on the eve on independence a land scorched by sun by years of bitter war In these perilous circumstances Peter Capstick commences what is surely the most thrilling safari of his stories career He takes the reader to the From Publishers Weekly Although he had culled many elephants as a game officer in Zaire and elsewhere safari leader Capstick Death in the Long Grass had never killed a tusker Here he records his part in a legal hunt with a company licensed by the Namibia
