By Stewart M. Green : Rock Climbing Utah (State Rock Climbing Series) climbing is your first stop for news photos videos and advice about bouldering sport climbing trad climbing and alpine climbing since 1970 climbing the

american alpine institutes guides rock climbing programs in the red rocks of southern nevada red rock canyon is the perfect place for beginner intermediate and Rock Climbing Utah (State Rock Climbing Series):

1 of 1 review helpful Too bad for northern Utah By climber Book spends far less attention than one would wish on the areas most accessible for Salt Lake vicinity climbers The pictures make it much more user friendly than the older Wasatch guide but many important areas are missing I met two climbers at a super popular crag the other day who were disappointed and looking for information because their book did not includ Utah is a magnificent landscape of startling diversity and beauty manifested for climbers in more cliff miles of exposed rock than any other state Fragile sandstone towers pierce the sky amid endless miles of vertical cliffs sometimes more than a half mile high wondrous canyon walls of cobblestone and limestone overhang at dizzying angles and granite domes and slabs recline on sunny mountain slopes Rock Climbing Utah is the only From the Back Cover Utah is a magnificent landscape of startling diversity and beauty manifested for climbers in more cliff miles of exposed rock than any other state Fragile sandstone towers pierce the sky amid endless miles of vertical cliffs sometimes
