5 of 6 review helpful Excellent resource on the German traditions of sword and buckler By Michail F This is one of the best textbook style resources I've had the chance to read on the German traditions of sword and buckler It centers on the teachings of I 33 but augments the material with set plays from Lignitzer Talhoffer and Kal I say textbook style since it adopts a modern pedagogical approach reorganizing material In the sequel to the first volume which introduced the long sword Herbert Schmidt explains single handed sword fighting techniques with a buckler or small shield ldquo Single handed sword rdquo here refers to the sword wielded in one hand as used throughout almost the entire Middle Ages This book analyzes historical evidence taken mainly from the 13th century German combat manual Manuscript I 33 or ldquo Tower Manuscript rdquo the oldest and most widely trus About the Author Herbert Schmidt is the leader of Ars Gladii the Austrian swordfighting club and is part of an international research community that is reconstructing historical European swordfighting and awakening it to new life
