**By Norbert Klups : Double-Barreled Rifles: Fascination in Wood and Steel (Schiffer Military History)** Double-Barreled Rifles: Fascination in Wood and Steel (Schiffer Military History):

4 of 4 review helpful Pathetic Translation Spoils Great Potential By Pierre J Van Walt This is a book of two emotions When you open it and look at the excellent topics the high quality of the design the quality binding fancy paper and great photographs you just cannot help but be impressed Yes like all books it cannot be everything for everybody but on the face of it it covers material not readily found everywhere The fascination of a traditionally built double barreled

gun can scarcely fail to attract a passionate hunter For one thing there is the perfection of handiwork in making clean shooting guns but also the spirit that emanates from these weapons The double barreled gun is part of hunting and when you hold an old English gun in your hand your mind's eye almost automatically conjures up visions of elephants buffalos or lions great antelopes in the African scrub or
