0 of 0 review helpful Deer hunting down through the years By Gregory Hope This book provides a fairly detailed accounting of the history of deer hunting in Wisconsin The topics range from old traditions to equipment to hunting camps to management controversies The book is full of vintage photographs As a Pennsylvania deer hunter I found the book to be well worthwhile For Wisconsin deer hunters I would rate this a must On the Hunt is the story of deer hunting in Wisconsin from the spear throwing Paleo Indians to the sportsmen of today Meticulously researched by one of the state s most prolific outdoor writers On the Hunt covers subsistence and sport hunting deer camps changing deer

management policies and recent developments and controversies from human encroachment on deer habitat to CWD
Range maps and charts tracking annual herd populations and harvest 2009 Honorable Mention in the Outdoors
Category nbsp from the Council for Wisconsin Writers 2009 Finalist in the Recreation Travel Sports nbsp Category
from Midwest Independent Publishers Association Book Awards
