0 of 0 review helpful Great Guide for Hiking Telluride By Smokey This is a great guide to have Very useable and clearly written Just returned from Telluride and we went on several of the hikes all selected from the book after reading in the months leading up to the trip My only quasi negative comment is that the difficulty assessment is based on the hiker being acclimated to altitude A couple of the moderate trails This revised edition is the most comprehensive pocket guide for the day hiker living in or visiting this incredible area with easy to follow directions to the high country and more than 75 summits in the region All of the 110 hikes are illustrated with colorful maps and more than 100 pictures also in color with listings of elevation gain distance duration and five levels of difficulty from easiest families Class 1 to expert only climbing type moves Cla About the Author San Juan Don lived in Colorado for more than twenty years most of them in Telluride and he is now exploring the vastness of the Pacific Northwest from Portland Oregon A trained chef a photographer and an avid hiker Don Scarmuzzi ha
