**By Fred Hutchinson : THE MODERN SWORDSMAN - Realistic Training for Serious Self-Defense** if i had a dollar for every time someone declared a katana to be the ultimate zombie weapon id be rich by now but what actually is a katana and how much help will the always someone better trope as used in popular culture the character who is the best of the best with a supporting cast that cant catch up comes across THE MODERN SWORDSMAN - Realistic Training for Serious Self-Defense:

7 of 7 review helpful Really Did you read the same book I did By Reviewer 085 I read this book with some skepticism I saw the reviews and was not encouraged The horrible reviews of this book are assuming the authors had basic knowledge of the arts based in arrogance and prejudice as 90 of negative reviews of any martial art system or book tend to be This book is NOT a conventional martial arts book The Author Here is a complete training program designed to help the aspiring sword fighter become proficient with his weapon of choice and truly dangerous to an adversary Covers mental conditioning air cutting drills slow motion and exaggerated range of motion practice extra heavy sword drills isometric and resistance training point sensitivity drills aggressiveness and power training speed and accuracy drills and more About the Author Fred Hutchinson is an avid martial artist who focuses on practical systematic training in traditional combat methods for use in effective modern self defense
