By Charles de Kunffy : The Athletic Development of the Dressage Horse: Manege Patterns (Howell reference books) The Athletic Development of the Dressage Horse: Manege Patterns (Howell reference books):

1 of 1 review helpful Good basic By meansvillemom If you are wanting to understand vocabulary and terms this is not a straightforward way to learn but the book has good points and a newbie can pick some of the terminology up as he reads But as in all dressage books it seems to assume the reader has already learned the basics Hmmmmmm there really should be a dressage for dummies out there 0 of 0 review helpful The Howell Equestrian Library is a distinguished collection of books on all aspects of horsemanship and horsemastership The nearly fifty books in print offer readers in all disciplines and at all levels of competition sound instruction and guidance by some of the most celebrated riders trainers judges and veterinarians in the horse world today Whether your interest is dressage show jumping or Western riding or whether it's breeding grooming or health care Ho From the Inside Flap The Athletic Development of the Dressage Horse is the first book devoted entirely to classical manege exercises that are ridden to supple strengthen and when necessary correct Internationally known instructor coach and judge Charles de
