By Erwin A. Bauer : Big Game of North America the texarkana gazette is the premier source for local news and sports in texarkana and the surrounding arklatex areas presents a portfolio of its projects and presents its staff news and contact details Big Game of North America:

0 of 0 review helpful Picturesque and Informative By Joseph Knight I enjoy the diagrams on each large game animal regarding track shape and spread and also the mapped distribution of the species over North America But the best part is the full color large photography I m an artist and bought this as a reference I m quite satisfied 0 of 0 review helpful

Awesome pictures By C Big Game of North America is a spectacular tribute to the big game animals of the U S A Canada and Mexico Coverage of the 17 big game animals begins with a discussion of each animal s basic characteristics followed by a brief overview of behavior and conservation an illustrated tracking diagram and a current range map Erwin Bauer s personal lively text is highlighted by more than 120 full color photographs Sections cover horned animals antlered animals From Booklist North America s big game species are large mammals including deer elk buffalo wild sheep and goats mountain lions and bears They constitute a precious national asset that is certainly worth sa
