0 of 0 review helpful A must read Something for everyone By Customer This book is a great read for anyone who has  
an interest in hunting birds dogs habitat protection or good stories Most of us do not have rich and famous friends like  
the author does so we won t be hunting on the vast private estates that he does in the book but the characters are  
interesting for sure Fergus also hunts and camps at the public place In an epic season of sport Jim Fergus and his trusty  
Lab Sweetzer trek the mountains plains prairies forests marshes deltas and deserts of America From Publishers  
Weekly In September 1990 freelance sportswriter Fergus bird hunted during the opening days of the sage grouse  
season in Wyoming blue grouse season in Colorado and chukar season in Idaho Five months later this first time author
