3 of 3 review helpful The reel news By John L It s a well written book Back when Mr Ulanski wrote the this book there were plenty of fish to catch on the Outer Banks I have a home there Been fishing there since early 1980 s

Sometime after the Vietnam war our government sold a lot of sonar equipment to commercial fisherman As NC laws are so lax commercial fisherman are taking 98 of fish Leaves 2 for sport In this hands on how to guide to fishing North Carolina s Outer Banks expert fisherman Stan Ulanski combines his enthusiasm his experience and his scientific expertise to show anglers how to catch more fish Focusing on the essential but often misunderstood links between recreational fishing and the biology geography and natural history of the region Fishing North Carolina s Outer Banks fosters an understanding of the aquatic environment of one of The book seamlessly blends the technical aspects of fishing with the natural history of that famous stretch of sand less than a half day s drive from Richmond The result is a page turner for both curious angler and Outer Banks lover who doesn t necessarily go
