By Bill Tarrant : Hey Pup, Fetch It Up!: The Complete Retriever Training Book Hey Pup, Fetch It Up!: The Complete Retriever Training Book:

5 of 6 review helpful Okay but not great By Amy Goebel Padgett I bought this book when we got our first Chesapeake

Bay Retriever pup because I knew Chessies were a difficult breed and needed obedience training Chessies are known for being stubborn What I was really looking for was a book with guidelines or recommendations on dog training I knew a little bit and had some older books but I was looking for something This Tarrant classic contains a complete humane training plan for both hunters and field trialers From the Back Cover Now you can force a dog to do something before he's accepted you or what you want him to do and this dog will grudge you fight you be a resentful worker Or you can read him see when he's ready to take the lesson get done what you want
