**By William de Lange : Iaido: History, Teaching & Practice Of Japanese Swordsmanship** Iaido: History, Teaching & Practice Of Japanese Swordsmanship:

0 of 0 review helpful Five Stars By Sergey Prelovskiy Excellent Work Quickly And efficiently 6 of 6 review helpful history yes teaching a little practice a little less By Dino Not a bad book for someone experienced in Iai definitely a

dry read The photos and descriptions of technique are somewhat vague and generally unhelpful unless you've seen it in real life. For over a thousand years the sword has played a crucial role in Japanese society. Even today it remains a ubiquitous and venerated object whether cherished as a work of art admired as a feat of technology or wielded in one of the many schools of fencing that have survived Japan's feudal era. This book not only explains the techniques of that era's most prominent school, it also gives the reader a fascinating insight into the history and martial ethics that underpin the About the Author William de Lange studied Japanese language and culture at the University of Leiden and at Waseda University in Japan. He is active as a translator and interpreter and is a practitioner of the Shinkage school of swordsmanship. He is the author of
