2 of 2 review helpful Another great Boone Crockett book By westtexaskat This is a well written informative book that

is in a format that is easy to find the information that you are looking for Thanks B C The large map that is included could make a really nice display on a wall Any whitetail hunter would love to have this record book I bought this as a surprise gift for my husband I knew it would be a hit This greatly expanded edition features of 12 400 listings of whitetail deer from B C s Records Program dating back to the late 1800s up through December 31 2011 Along with the trophy listings readers can also immerse themselves in informative chapters about finding trophy whitetails comparing East vs West management of whitetails using genetics to reveal insights to breeding behavior along with a modern market hunting discussion About the Author Boone and Crockett Club founded by Theodore Roosevelt in 1887 maintains the highest standards of fair chase sportsmanship and habitat stewardship and is the universally recognized keeper of the records of native North American big game
