0 of 0 review helpful Deserves a place on the hunter s bookshelf By Pappy348 This book is an undiscovered gem It details some forty years of the author s hunting experience in a style reminiscent of stories written during the 1950 s and 60 s heavy on the experience and setting and light on the nuts and bolts technical details that dominate much of today s outdoor literature This one will not disappoint As The Hunting Time Adventures in Pursuit of North American Big Game A Forty Year Chronicle by John E Howard Hardcover
