0 of 0 review helpful Worth buying By Everett Daniel Such an interesting guy This book really goes in depth about his bow hunting accomplishments and what others think of Chuck but not much about what makes him tick Was really hoping to hear more from Chuck himself It just seems strange to me that a writer would allow someone else to write a biography on him instead of writing an auto biography on himself 1 of 1 Chuck Adams is the world s best known and most widely published bowhunter and the only bowhunter to complete three Grand Slams on American deer Now enthusiasts can learn the secrets to his success as Gregg Gutschow reveals how Adams makes and breaks bowhunting records and has successfully bowhunted just about every game animal in the world Readers will experience a true sense of adventure as well as learn the secrets of this bow master About the Author Gregg Gutschow is an accomplished outdoors writer and editor including a stint at Deer Deer Hunting
