0 of 0 review helpful Poor photographs DVD not included By cjn Just an overview and not detailed enough for me  
The B W photographs are way too small and hard to see didn t include the DVD that is mentioned in the book  
description 0 of 0 review helpful Five Stars By Customer excellent book for Saber coach s and fencers 0 of 0 review  
helpful This book teaches the NEW saber Together with the DVD sold separately on Amazon it provides a complete  
and contemporary saber method Before this book appeared it had been than 75 years since the last English language  
book devoted to saber Those were the days of men only visually judged saber and the US didn t stand a chance Since  
then saber has been revolutionized Both men and women fence saber is scored electronically with close calls reviewed  
on video repl This book will be extremely useful in fencing training and should attract the interest of the fencing  
community throughout the English speaking world and beyond hellip It is hellip a valuable training manual and an  
updated report on hellip the newe
