(Florida's Fabulous Nature):

2 of 2 review helpful its okay a place to start By ELC I was a bit disappointed in this book I guess if you know where you are headed its good However I am new at paddling and to the area and was looking for places to go so I thought I could look up whatever county I am in either in the table of contents or in the index in the back and find places in that area no the table of contents is great if you know what river For anyone in state or planning a visit to Florida in the near future check out this awesome new book Fantastic color photos detailed maps launch sites and directions to many of the best kayaking canoeing camping and fishing trails throughout the state It covers both salt and fresh water areas throughout the entire state
