By Gene Hill : Shotgunner's Notebook: The Advice and Reflections of a Wingshooter Shotgunner's Notebook: The Advice and Reflections of a Wingshooter:

9 of 9 review helpful An informative read on an enjoyable subject By Keith Bukovich I realize that I am writing my review almost two years after the previous one that appears here on However I respectfully disagree with some of the comments made by the earlier reviwer The late author Gene Hill wrote many books before that were touching concerning the philosophical aspects of hunting and bird dogs so much so that o Gene Hill presents the experiences and judgement of a world class shotgunner His advice and recollections on a lifetime of wingshooting rank this book as one of the all time best works on shotgunning
