1 of 1 review helpful What a great introduction to predator hunting By justin foldesh What a great introduction to predator hunting From the very personal stories shared about hunts with family and friends to the solo hunts made spur of the moment Glen takes you there with him The book encompasses a lot of thought that goes into getting started but at the same time he tells you not to overthink your hunt Your gut insti How do you pick out a good calling stand Which camouflage should you wear Which rifle should you use Can you lip squeak And most importantly where are the animals Predator calling has grown immensely in popularity over the past few years and there are many sportsmen who enjoy this exciting and challenging style of hunting However there are many who just can t seem to get animals to come in on a regular basis they lack the fundamental knowledge and experien About the Author Glen Stilson lives in Arizona with his wonderful wife and 3 amazing children He and his family spend every moment they can in the outdoors whether camping hiking hunting or just enjoying a long evening drive
