**By Luis Preto : Combat in outnumbered scenarios: The origin of Historical Fencing** 1 i celebrate myself and sing myself and what i assume you shall assume for every atom belonging to me as good belongs to you i loafe and invite my soul there is of course a legitimate argument for some limitation upon immigration we no longer need settlers for virgin lands and our economy is expanding more slowly Combat in outnumbered scenarios: The origin of Historical Fencing:

1 of 2 review helpful Another great book in this series By Bill C As with Luis books on sequencing the teaching of techniques and tactics parrying and footwork this volume is an excellent introduction to combat in outnumbered scenarios probably the most difficult and dangerous situation a person can find themselves in Highly recommended 2

of 2 review helpful A true must have From the distant times of ferocious open field battles held either between villages or even nations to the most basic and oldest self defense scenario of having to confront gangs of robbers Mankind has always been daunted by the need to face larger groups of opponents Being Jogo do Pau the only living European Martial Art with an unbroken lineage the systematization presented of its main skills for this type of combat establishes a bridge between present and past al
