0 of 0 review helpful All of this book is Biblically Accurate By Garren Forth Having been a born again child of God for nearly 50 years a student of the Bible and a avid Hunter for nearly as long I recommend this book 2 of 2 review helpful Five Stars By shane steen Awesome and hilarious 1 of 1 review helpful Five Stars If a person looked to Scripture and paid particular attention to the passages within the Bible that address the topic of hunting then they'd walk away thinking not only is hunting animals tolerated but it is endorsed by God And that's exactly what this little book is about proving that God from Genesis to Revelation is extremely cool with hunters and hunting I'll go out on a biblical limb and claim right off the bat that you cannot show me through the balance of it In his killer new book RISE KILL EAT A Theology of Hunting From Genesis to Revelation Doug carries on with his courageous war against the lunatic fringe who dare recommend Bambi solutions to the annual production of edible wildlife Ted Nugent
