0 of 0 review helpful Kid s Favourite and Full of Activities By Fouzia My son loves to spend his lazy evenings by doing something interesting like coloring pictures or discovering mazes on his activity book While I was searching for children s activity books on the Kindle store this book title grabbed my attention moreover its cover page design is

Cute Cuddly indeed Pictures are clear and subjects of coloring are Let your child rsquo s creativeness run wild as they bring to life and interact with talented whimsical animals all across the world In settings such as Paris Moscow amusement parks and deep into the ocean these playful animals will surprise you with their amazing display of stunts Your child will watch them juggle walk the tight rope and balance Artistically designed coloring pages and thought stimulating activities include mazes matching games and spotting Kid s nbsp Favorite nbsp and Full of Activities nbsp October 2 2014
