1 of 1 review helpful A bug out bag necessity By Robert P I bought this to learn something or two about trapping in a survival situation This book more than met my needs and I learned stuff about elk and deer that I can apply to rifle hunting Fun to read too as it was written in the late 1800 s 2 of 2 review helpful Two Stars By Randy R Moon i would have liked to h ldquo Mr S Newhouse a member of the Oneida Community having become widely known as the maker of an excellent kind of steel traps and it being generally understood that the practical perfection of his traps is owing to the wisdom in wood craft which he gained in early life by actual experience in trapping he has often been applied to by his customers and others for information in regard to the best methods of capturing various animals rdquo The Editors
