By Blake Alma : The Hunter's War: Vegans Vs. Hunters conversations of veganism vs meat eating can become pretty heated so whether you eat meat or not please chill out for a second before reading this theres no statistical significance in the sad passing of steve jobs and his choice of vegan diet thats a quote from one of the comments on the previous The Hunter's War: Vegans Vs. Hunters:

2 of 4 review helpful Great book By andy Great book Vegans are not just a problem for hunters and outdoorsmen They are an enemy to anyone that is not crazy That is YOU You feed your dog and cat pet food from a pet food slaughter house pet food animals are killed without thought to feed you companion animals this makes you and your pet the bad guys Vegans also do not believe in leather this makes them an enemy to b In this modern world the war between vegans and hunters is always growing Veganism is a foolish and unbiblical belief and practice nbsp Hunters have been hated and even life threatened by nbsp vegans nbsp and nbsp antihunters Animal activists often don t even care about a Christian getting killed by isis or an elderly man walking down the street and getting shot They care about a nbsp cat that is locked up in an animal shelter or about a deer that was hun From the Author When I was 14 years old I would set up several modified rat traps for the purpose of trapping squirrels for both meat and fur I accidentally ended up trapping a chipmunk instead I feeling sorry for the unwanted kill decided to use its death f
