## Hunting Man (Wilder Places):

0 of 0 review helpful Five Stars By Customer A great read Funny smart interesting 0 of 0 review helpful An Eccentric Classic By Voltman I found this book very enjoyable and unique Brian Plummer entertained with a dark humor reflecting back on rat hunting adventures and other folks he met on his travels He provides a great deal of knowledge from both research an Rat hunters are usually regarded as some kind of lunatic by the public at large and on reflection the public at large may well be right Verily a rat hunter s lot is not a happy one First he must condition himself to expect his wife to leave him his friends to point the finger of scorn and his boss to wonder whether he has a future with the firm So advises Brian Plummer whose notoriety as a rat catcher began at age ten Tales of a Rat Hunting Man first publishe com After the initial shock of even considering a rat catching professional the title and content of this book are intriguing The rat is the unheralded game animal of Great Britain so much so that its proponents are feared and reviled as not quite right
