2 of 2 review helpful A true classic By Jim I first read Hunter in 1961 when I was ten years old and have read it many times since The stories and the humble quiet manner in which it was written have never ceased to impress me I m a

writer myself Einstein's Trunk and soon to be published A Thousand Suns and thoroughly enjoy his clear unaffected style No histrionics no boasting no fluffy overwrought language just Written in the 1950s Hunter recounts the career of John A Hunter a professional big game hunter and former chairman of Tanganyika National Parks J A Hunter led a life of adventure but perhaps the most astonishing tale in this book is his incredible adventures while hunting rhino As a game ranger he was ordered by the Tanganyikan government to clear out dozens of rogue rhinos from the area around Makueni and the accounts of his experiences are spine tingling H
