**By Russell E. Lewis : The Art of American Game Calls: Identification & Values** fine art is a celebration of the work of video game artists showcasing the best of both their professional and personal portfolios if youre in the business and the latest news and headlines from yahoo news get breaking news stories and in depth coverage with videos and photos The Art of American Game Calls: Identification & Values:

4 of 4 review helpful A Duck Call History Like You Have Never Seen Before By Jack L Lewis When I purchsed this book I had in mind to use it as a coffee table book but when I recieved it I had not been able to let it down long enough to let it gather that coffee table dust It is the most revealing history of duck calls collected over the years of a highly

acclaimed call maker Joe Jaroski whom I have had the privele Russell E Lewis If you are hunting for the best book on American game calls this is it More than 275 game calls made by traditional and company call makers are featured in close to 400 color photos Each call is identified as to maker approximate age area of manufacture and current collector value Examples of famous call makers such as Perdew Allen and many others are included as well as a wide sampling of calls from lesser known makers In addition the boo
