1 of 1 review helpful Good for Purpose But Not What I Expected From Author By Master Hahn Mr Edmunson s review was pretty much on the money I own EVERY book written by this author some thru some thru another vendor and have been happy with each though not up to date with my reviews unfortunately Unfortunately I expected a book on overall sword fighting techniques This book should have been titled The The second in Dwight McLemore s

Fighting Weapons series The Fighting Sword began as a way for the author to chronicle his experience of commissioning a custom made sword and then designing a training program to use with it As he developed the sword fighting concepts techniques and combat scenarios for use with his sword however he realized that they could be adapted and used by anyone with a sword McLemore brings the fighting sword to life with About the Author Dwight C McLemore is a retired combat arms officer with the U S Army and is an accomplished bladesman and instructor He is renowned for his vast knowledge of Bowie and big knife fighting and has more than 18 years of experience in self
