By William G. Tapply : Upland Days welcome to the upland unified school district website at uUSD we challenge our students to achieve their greatest potential so they are well prepared for life beyond family owned and operated serving the greater upland and rancho cucamonga area since 1954 we are open 6 days a week our veterinarian is

available monday through Upland Days:

0 of 0 review helpful A first rate book By Ernie Wild Another great book by Tapply I enjoy his fiction but as I grew up in the woods and on the water Tapply s non fiction strikes a definite chord with me also It is quite easy to relate to his stories of upland hunting I hunted ducks and pheasants but grouse and woodcock were my favorites Tapply was an excellent writer He had that wonderful ability to tell a great 50 years of bird hunting in New England This is a compelling account of the author s many adventures and misadventures while hunting for grouse woodcock pheasants and a variety of duck species in all kinds of weather and terrain throughout New England The book is steeped in the history and lore of hunting in this region and reveals the type of camaraderies that are so important to those who hunt Starting with a riveting explanation as to why he loves to hunt Tapp From the Back Cover Upland Days chronicles a half century of tromping the New England woods with amiable companions both two and four footed The author writes about such legendary grouse hunters as his father H G Tap Tapply and his bird hunting men
