By Bob Robb : Field & Stream Bowhunting Handbook, New and Revised Field & Stream Bowhunting Handbook, New and Revised:

3 of 3 review helpful Bow hunting equipment morphs too fast for this to be very helpful By Pete If you have absolutely NO knowledge of bow hunting equipment this book can help But not much more than some web research The bigger problem is that bow hunting equipment has changed so much in recent years that much of what is new in this book is not even offered now If you want to learn what this book offers visit a great If you love a challenge and treasure a sport that requires commitment if you enjoy being in the woods and if you like getting as close to your quarry as possible then bowhunting is for you The Field Stream Bowhunting Handbook includes information on how to choose the best gear important safety tips how to hunt different types of game how to avoid being detected how to shoot accurately and much more From the Back Cover The discipline of bowhunting is its own challenge Successful bowhunting putting meat on the table and maybe some antlers on the wall is a challenge on top of that But if you are drawn to this pursuit and treasure a sport that
