This guide to all aspects of working and training gundogs has become a popular classic as demonstrated by the fact that it has now reached its eighteenth edition. The Kennel Club appendices in this edition have been fully updated as necessary. Written for the novice trainer this book covers everything from the choice and selection of a gundog puppy through to participation in a field trial. The author's approach is thoroughly practical and his style is that of a We do not hesitate to say that this is the best of its kind we have ever read. Shooting Times on the 17th Edition. This latest edition includes all the original material such as advice on selecting puppies first lessons and training to gunfire but also
