0 of 0 review helpful Four Stars By anthony acevedo Excellent technical advantage in practical procedures and advice Advanced Fencing Techniques records the vast coaching knowledge accumulated over many years from one of fencing's great masters Bert Bracewell. The book will not only help the aspiring fencer improve but also the established fencer who may be looking for new ideas and techniques for their training. Step by step color photography and diagrams cover advanced techniques for foil, saber and epee. The book presents valuable coaching material.

exercises and drills t About the Author Ed Rogers is on the board of Scottish Fencing and on the list of examiners for the British Academy of Fencing in Scotland His first book Fencing Essential Skills Training was placed on the British Fencing s recommended reading l
