0 of 0 review helpful A Unique and In Depth Treatment of All Things Black Powder By Jeffrey R Elver This is a really great book well written and illustrated I m a fairly knowledgeable shooter and in the past spent about three years exclusively researching and shooting 19th century black powder weaponry In reading Mr Flatnes book I came to realize the many gaps in my knowledge There s a lot here to like including in About the Author Oyvind Flatnes is several times the nbsp Norwegian and Nordic black powder shooting champion nbsp He has previously published a

book about black powder shooting and is a regular contributor of history and firearms articles to magazines
