Complete Guide to Britain's National Trails (Cicerone Guides):

0 of 0 review helpful So far the most informative and helpful book I've seen on National Trails By Vernazzait This book reminded me of the AT guide that hikers take with them It is very comprehensive and includes info on transportation options to a trail side trails within a trail system local lodging food pharmacies and important sites including schedules and hours of operation for all Distances are noted with ac National Trails were established as part of the post war programme to keep areas of Britain special and to protect them from development The first such route the Pennine Way opened in 1965 and since then another 14 have been designated in England and Wales with a further 4 in Scotland Together the National Trails cover well over 5000 kilometres 3100 miles each one with unique qualities which explore the rich scenic and historic countryside of Britain Even th About the Author Paddy Dillon is a prolific outdoor writer with over 60 guidebooks to his name as well as more than a dozen booklets and brochures He writes for a number of outdoor magazines and other publications and produces material for tourism groups and
