By Peter Stark : White Bushman coprosma arboreus the tree coprosma is the tallest coprosma berries are translucent white when ripe the leaves are spoon shaped right if the raft flips you need to get to the front or back and find an air pocket dont put your legs down or theyll get trapped under a bloody rock and White Bushman:

1 of 1 review helpful A life to envy By Langeberg97 The book is an amazing story of a life to envy growing up in a

land that was truly wild and relatively uncharted or explored experiencing life to the full What makes this book so great is the fact the stories are real I had the privilege of knowing him and yes he is a legend and is held in high regard by all that have the good fortune to know him this book will inspir In this fascinating and entertaining memoir the legendary White Bushman Peter Stark writes about his experiences in the former German South West Africa first as a farm manager and lion hunter and later as nature conservationist Stark rsquo s fearless personality and phenomenal knowledge of the veld combined with an intimate knowledge of the San people and their culture make for stories and experiences that most people can only dream of Whether it rsquo s about li About the Author PETER STARK was born in the former German South West Africa now Namibia and was a nature conservationist in the Okaukuejo area for many years
