4 of 4 review helpful Get the Second Edition By shuTTL3bus First let me start by saying this is a fantastic book as the other reviewers have said With that said the 2nd Edition is that much better I own both editions Where the first edition might have 4 photos of a series the 2nd edition has 16 to 20 This means that you can see what the intermediate positions look like The first edition is 270 pages while the se This book is much more than an introductory guide to Muso Jikiden Eishin Ryu Iaijutsu It manages to emphasize a melding of the Eastern philosophy and the technique of

the art in a marvelously eloquent yet concise manner Flashing Steel describes and pictures forty two kata formal training patterns which govern this system with ten partner exercises applying iaid principles in realistic attack and defense systems These kata are also widely practiced by students At last The martial arts have long awaited a book on genuine iaid It could only have been done properly through a Japanese American collaboration like this — Master Shimabukuro with his unparalleled expertise and classical training and
