2 of 2 review helpful Timeless wisdom with or without the sword By E M Van Court Originally published in 1862 Baron Cesar de Bazancourt s text takes the form of eleven evenings of discourse on the use of the sword as exercise as a precise sporting science and as combat After 140 years one would expect the fencing technique to be dated but it is much less dated than a treatise on marksmanship of the 1860s As Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for fut Language Notes Text English translation Original Language French
