0 of 0 review helpful Glad I bought it By g beecham As far as I can tell if you want to know about Mugai Ryu Iaido this is the only game in town unless you are good at reading Japanese Author offers info on the history philosophy and katas of Mugai Ryu and shows some wazas from some of the old kenjutsu ryus ALso shows some advanced Mugai

Ryu techniques in addition to the katas It would have been nice if there had bee In this book the author takes us on a tour of the Samurai code of Bushido He talks of his encounters with the descendants of famous samurai of the past We are taken to ancient Japan to meet the most influential samurai through the memories of their descendants as told to the author by members of those very samurai families We learn about the many rituals of the sword and discover how they were made cared for and tested The author instructs us on the us About the Author Darrell Max Craig is a highly regarded teacher of many of Japanese martial arts and a pioneer in their development in the West for over forty years He holds multiple black belts and is a U S Kendo champion leading the U S K
