6 of 6 review helpful Boston's clear approach and extensive firearms knowledge and rating methodology applied to African hunting. By HappyDaze11 Boston's approach in his other books rating firearms, computer privacy applications, etc. is brought to bear on the world of African hunting and what is required to bring down the African game animals we all dream about hunting one day. Boston has whittled down the requirements. Safari Dreams: A Practical Guide To Your Hunt In Africa. A modern and thorough how-to on all aspects of one's first African safari by an experienced author, traveler, shooter, hunter. Uniquely packaged with information, tips, and ideas you won't find in any other book. He has spent the five summers in Africa in the field as both a client hunter and PH trainee on a game ranch. Complementing the masters such as Robert Ruark, Peter Capstick, and Craig Boddington. Your book is actually quite good. Best regards and a much belated thank you for the book. You did a good job. Craig Boddington, renowned hunter and conservationist. I could not put Safari Dreams down. This book is excellent. Kenneth pu
