0 of 3 review helpful One Star By Customer The book arrived in very bad condition 0 of 0 review helpful Taking Venison to a Higher Level By Customer Having a compulsion for deer hunting in the southern United States I was drawn to this book for creative ideas in preparing and cooking venison This is not a typical cook book but a great look into the various species Venison is experiencing an unprecedented growth in popularity with the British public as a

delicious healthy and increasingly available dish. Here are over 50 recipes from Senior chef Lecturer in Culinary Arts at Westminster Kingsway College. Jos eacute Souto the game expert who gives masterclasses on preparation and game cookery to other chefs worldwide as well as teaching a new generation of student chefs how to cook venison. Jos eacute has added to his own About the Author was born of Spanish parents. He has worked as chef for many years at the House of Commons and now is senior lecturer of the Butchery Department at London. rsquo s internationally respected Westminster Kingsway College. He is a demonstrator chef f
