2 of 2 review helpful Very Good Program FOR Fencing too By Let's Compare Options Preatorial I've been teaching fencing as well as knife combat in local classes and via bladecombat dot com for over 30 years and this volume is outstanding for both. With due respect for the other reviewers who thought it was good but not specific to fencing I disagree. Sure flexibility strength endurance CAN be taught for any. The Ultimate Guide to Weight Training for Fencing is the most comprehensive and up to date fencing specific training guide in the world today. It contains descriptions and photographs of nearly 100 of the most effective weight training flexibility and abdominal exercises used by athletes worldwide. This book features year round fencing specific weight training programs guaranteed to improve your performance and get you results. No other fencing book to date has been. I just wanted to write you and give a big thank you for helping me achieve my goals. After only a couple weeks of using your book I have seen results. As soon as I started I realized how perfect this book was for me. I love the very detailed descriptions o
